### Sparkling Brut NV

Bright straw yellow colour.

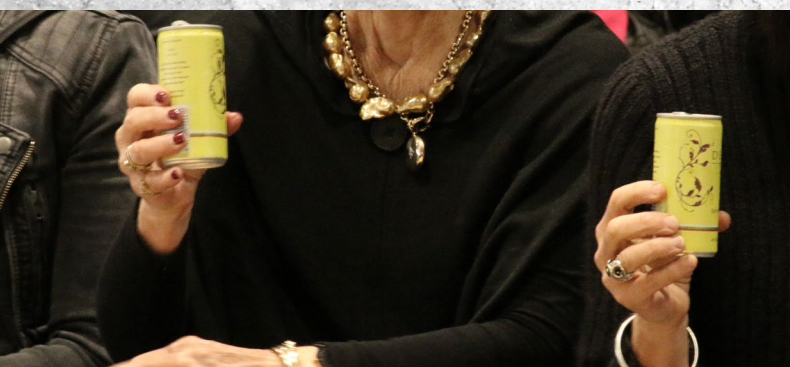

Fruity with a hint of yeasty brioche characters on the nose. Lively palate, fresh and zingy with limey flavours and a long dry finish.

### Sparkling Rosé NV

Delightful pale pink in colour.

Attractive strawberry and cream aromas lead to a vibrant and bright palate with lovely berry flavours, and a long finish.

Ideal for those wanting just a glass (or two) and perfect for those times and places where glass just isn't suitable - like the beach, a concert or a picnic. You know?

Each can is like a glass and a half, so real easy to keep control.

It chills super quick and best of all - the can is 100% recyclable.
